

■ Eric Oudard appointed Technical and Development Director of SFL

Paris, 16 January 2014

Eric Oudard, aged 45, has joined the Management Committee of the Société Foncière Lyonnaise as its Technical and Development Director.

Reporting to Dimitri Boulte, Chief Operating Officer, he will supervise the development of major projects, the technical operation of buildings and the implementation of redevelopment projects, as well as overseeing the sustainable development policy.

Eric Oudard graduated as a civil engineer from the École Nationale des Ponts et Chaussées and is an affiliate member of the CIBSE (Chartered Institution of Building Services Engineers). He previously worked for Accor, Casino Immobilier, Pierre et Vacances and Luminatis.

With an exceptional portfolio of properties valued at €3.9 billion including transfer costs, essentially located in the Paris Central Business District, SFL is a preferred vehicle for investors wishing to invest in the Paris office and retail property market. As the leading player in this market, the Group is firmly focused on pro-actively managing high-quality property assets. SFL has elected to be taxed as an SIIC since 2003.
