

■ SFL, a company at the forefront of sustainable development

Paris, 18 September, 2014

The headquarters of the Société Foncière Lyonnaise, located in the Washington Plaza complex in the 8th arrondissement of Paris, has just received BREEAM In-Use International certification for “Part 3, Occupier Management”. The audit process validated a certification level of “Outstanding”, which is the highest grade in the BRE (Building Research Establishment) framework.

The corporate social responsibility policy conducted by SFL was recognised in the recently published results of the 2014 GRESB (Global Real Estate Sustainability Benchmark), which placed the company in the “Green Star” category, the highest level within their ranking system.

Finally, SFL maintained its position among the top-rated group of “committed real estate companies” in the 2014 Novethic Barometer, thus demonstrating the relevance of the approach adopted by the company in recent years.

ABOUT SFL:

Leader on the prime segment of the Parisian tertiary real estate market, the Société Foncière Lyonnaise stands out for the quality of its property portfolio, which is valued at 4.1 million euros and is concentrated on the Central Business District of Paris (Louvre Saint-Honoré, Edouard VII, Washington Plaza, etc.), and for the quality of its client portfolio, which is composed of prestigious companies in the consulting, media, digital, luxury, finance and insurance sectors.
