(the “Notes”)

NOTICE IS HEREBY GIVEN that, pursuant to Condition 12 (*Representation of the Noteholders*) of the terms and conditions of the Notes included in the Prospectus dated 19 October 2021 which was approved under visa n°21-449 by the French *Autorité des Marchés Financiers* (the “Terms and Conditions”), Mr. Nicolas Reynaud, Chief Executive Officer (*Directeur général*) of the Issuer, domiciled at 6 parc de Béarn, 92210, Saint-Cloud, France, has decided to convene the holders of the Notes (the “Noteholders”, or individually, a “Noteholder”) to a general meeting (the “General Meeting”) at 42 rue Washington – 75008 Paris, France, on 3 February 2022, at 9:30 a.m. (Paris time) on first convocation and if no quorum is reached, on 24 February 2022, at 9:30 a.m. (Paris time) on second convocation.

The General Meeting is convened in order to deliberate on the agenda set out after the Introduction section below and, if thought fit, to approve, as the case may be, the resolutions proposed to the holders of Notes (the “**Proposed Resolutions**”).

Unless the context otherwise requires, capitalized terms used in this notice shall have the same meaning ascribed to them in the Terms and Conditions.

I. INTRODUCTION

SFL is part of the Colonial group (the “**Group**”), a leader¹ in the European Prime office market with presence in the main business areas of Paris, Barcelona and Madrid with a prime office portfolio of approximately 1.6 million of square meters of gross lettable area (“**GLA**”) and assets under management with a value of more than €12 billion as at 30 June 2021.

The Group pursues an Environmental, Social and Governance (“**ESG**”) strategy, which lies at the heart of its business model. It prioritises sustainable long-term returns by developing, refurbishing and operating high quality offices in prime locations, mainly the Central Business Districts (“**CBD**”), whilst being highly committed to ESG principles in its business decisions. For example, the Group has defined a decarbonisation plan, which implies that its entire office portfolio will be carbon-emissions neutral by 2050, an ambition which is fully aligned with the Paris Agreement of December 2015. To that end, the Group continually works on improving the energy efficiency of its real estate assets and, as at 30 June 2021, 93% of the Group’s property portfolio (in terms of Gross Asset Value) benefitted from the LEED and BREEAM energy certificates. In addition, the Group has been recognised for its ESG credentials, obtaining the Gold rating in the EPRA Sustainability Best Practices Recommendations (“**sBPR**”) in 2021 for the fifth consecutive year and a rating of 94 out of 100 in the GRESB index 2021 for Colonial and 92 out of 100 for SFL, which are among the highest scores for the office real estate sector in Western Europe.

In order to support this ESG strategy, the Group has prepared a green financing framework (the “**Green Financing Framework**”) to align the Group’s financing strategy with its overall strategy, objectives and sustainability targets. The Green Financing Framework has been developed in alignment with the four pillars of the Green Bond Principles 2021 of the International Capital Markets Association (“**ICMA**”) and has the benefit of a Second Party Opinion by Vigeo Eiris. The Group’s intention is that any bonds or notes it proposes to issue in the future will be issued under the Green Financing Framework as “green bonds” (or “green notes” as relevant) (subject to the availability of green assets at the time of any such issue) and all of the Group’s outstanding bonds are proposed to be converted into “green bonds” (or “green notes” as relevant). It is for this reason that the two issuers of the Group, Colonial and SFL, are convening bondholders and noteholders meetings (as relevant) to seek the consent of the relevant holders of their outstanding bonds or notes to requalify these bonds or notes as “green bonds” (or “green notes” as relevant) (the “**Green Bond Proposal**”).

Pursuant to the Green Bond Proposal, the Group intends to allocate an amount equivalent to the outstanding principal amount of the Notes to the financing or the refinancing of a portfolio of green assets meeting the environmental criteria described in more detail in the Group’s Green Financing Framework.

The Green Bond Proposal will not have any impact on all the other characteristics of the Notes, such as their terms and conditions, interest rates or maturity. In addition, S&P Global Ratings Europe Limited has confirmed that the Green Bond Proposal will have no impact on the rating of the Notes or on the long-term corporate rating of the Issuer. For the avoidance of doubt, the

Green Bond Proposal will not either trigger any Event of Default under Condition 10 of the Terms and Conditions of the Notes.

Noteholders shall not be entitled to any consent or participation fee (whether the Proposed Resolutions are approved or not or whether they participate or not in the General Meeting).

Risk in respect of green notes

It should be noted that the definition (legal, regulatory or otherwise) of, and market consensus as to what constitutes or may be classified as, a “green” or equivalently labelled project, and the requirements of any such label are currently under development. As a result, there is currently no clear definition (legal, regulatory or otherwise) of, nor market consensus as to what constitutes, a “green” or an equivalently labelled project. Consequently, the Eligible Green Assets (as such term is defined in the Green Financing Framework) may not meet any or all investor expectations regarding such “green” or other equivalently labelled performance objectives.

The use of an amount equivalent to the outstanding principal amount of the Notes for any projects included in the Eligible Green Assets may not satisfy, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable laws or regulations or by its own by-laws or other governing rules or investment portfolio mandates.

The second party opinion provided by Vigeo Eiris and dated December 2021 (the “**Second Party Opinion**”) which is made available in connection with the Proposed Resolutions is made available by the Issuer for information purposes only.

While it is the intention of the Issuer as of the date of this notice to allocate an amount equivalent to the outstanding principal amount of the Notes in, or substantially in, the manner described in the Proposed Resolutions, the Eligible Green Assets (as such term is defined in the Green Financing Framework) might not be capable of being implemented in a manner that is substantially consistent with and/or on any timetable that is contemplated in the Issuer’s Green Financing Framework. Additionally, the Eligible Green Assets might not be completed within any specified period or at all or with the results or outcome (whether or not related to the environment) as originally expected or anticipated by the Issuer.

Any such event or failure by the Issuer will not constitute an Event of Default under the Notes, create an obligation for the Issuer to redeem the Notes, and/or give a right to the Noteholders to request the early redemption or the acceleration of the Notes.

Any such event or failure to allocate an amount equivalent to the outstanding principal amount of the Notes to Eligible Green Assets and/or withdrawal of the Second Party Opinion, the independent limited assurance report on the “Green Bonds Report” issued by PricewaterhouseCoopers Auditores, S.L. on 22 December 2021 (the “**Independent Auditors’ Report**”) or any such other opinion or certification or any opinion or certification attesting that the Issuer is not complying with any matters for which such opinion or certification is opining or certifying on, may have a material adverse effect on the value of such Notes and also potentially the value of any other Notes which are intended to finance such projects and/or result in adverse consequences for certain investors with portfolio mandates to invest in

securities to be used for a particular purpose and consequently, Noteholders could be adversely affected.

II. AGENDA

- Approval of the requalification of the Notes as “green notes” and of the allocation of an amount equivalent to the outstanding principal amount of the Notes to the financing or the refinancing of a portfolio of green assets, and acknowledgement of the Issuer’s consequential representations; and

Noteholders are advised to take the steps described below as soon as possible if they intend to participate in the General Meeting either by attending such meeting physically, or by voting by proxy or by correspondence. Noteholders are informed that they can also attend the General Meeting by videoconference by requesting the relevant access details to the Centralizing Agent but please note that a holder of Notes attending the videoconference will not be able to vote during the videoconference and will have to express its vote, if it intends to vote, by correspondence or to vote by proxy ahead of the General Meeting pursuant to the instructions below.

The applicable provisions concerning the procedures for the convening and holding of the General Meeting are set forth in the Terms and Conditions of the Notes.

Quorum and majority

Pursuant to paragraph (d)(i) of Condition 12 of the Terms and Conditions, the General Meeting may validly deliberate on first convocation only if the Noteholders present or represented (i.e.

participating in the General Meeting, either by attending physically the General Meeting or by correspondence or proxy), hold at least one fifth (1/5) of the principal amount of the Notes then outstanding. If such required quorum is not reached at the first General Meeting, a second General Meeting will be convened on 24 February 2022, which will be notified to the Noteholders in the same manner. No quorum is required on second convocation.

The General Meeting decides by a two-thirds (2/3) majority of the votes cast by the Noteholders participating in the General Meeting either by attending physically the General Meeting or by correspondence or proxy.

Voting Procedures

Each Noteholder or its Proxy (as defined in the section “Voting Procedures” below) is entitled to one vote for each Note held or represented by such Noteholder. Any holder of Notes entitled to more than one vote shall not be required to cast all of such votes in the same manner.

Each holder of Notes has the right to participate in the General Meeting in person, by videoconference, by proxy or by correspondence, in accordance with applicable laws and regulations.

In the event that a holder of Notes wishes to participate *in person* in the General Meeting, it shall (i) complete the participation form attached to this notice of meeting (the “**Participation Form**”), and in particular paragraph 2(a) of such form, and (ii) provide evidence of its right to participate in such General Meeting by presenting (a) an admission card obtained from the Centralizing Agent, or (b) absent such admission card, any evidence that the Noteholder is registered in the books of the relevant Account Holders subject to, and in accordance with, paragraph entitled "Voting requirements" below.

In the event that a holder of Notes wishes to participate by videoconference in the General Meeting, such holder of Notes shall make an express request to the Centralizing Agent, whose contact details are indicated on page 7 and the last page of this notice of meeting and provide the Centralizing Agent with a Valid Form of Book Entry Statement in order to obtain the access details. **Please note that a holder of Notes attending the videoconference will have to express its vote, if it intends to vote, by correspondence or to vote by proxy pursuant to the instructions below: a holder of Notes attending the videoconference will not be able to vote during the videoconference.**

In the event that a holder of Notes does not wish to participate in person in the General Meeting, such Noteholder may:

1. *vote by correspondence*: in that case, the Noteholder shall complete the paragraph 2(b) of the Participation Form
2. *vote by proxy* given:
 - a. either to the Chairman (as defined below) of the meeting: in this case, the holder of Notes shall complete paragraph 2(c) of the Participation Form without indicating the name of the representative; or
 - b. to a representative of his choice (a “**Proxy**”) to act on its behalf in connection with the General Meeting, provided, however, that, in accordance with articles L.228-62 and L.228-63 of the French *Code de commerce*, a Noteholder shall be prohibited from appointing as Proxy certain persons, including, without
